

**2017 - 2018**  
**Masters in Environmental Engineering**  
**List of courses Taught in English**

Semester 7A - September through December	ECTS	Course Title
Energy Issues and Environmental Laws	6	Energy Issues and Environmental Laws
Environmental Impact Assessment	6	Environmental Impact Assessment
Life Sciences	6	Microbiology
		Ecotoxicology
		Compost Processes
Engineering Sciences - Waste	6	Environmental Management
		Solid Waste Management
		Water Treatment Networks
Languages	3	English
		English Project or Spanish or German
Engineering Project	3 to 9	Engineering Project

Semester 8 - February through May	ECTS	Course Title
Eco Design Management	6	Eco Design Management
Mathematics & IT	4	Data Bases
		Geographic Information Systems
		Applied Statistics
Life Sciences	6	Microbiology
		Ecotoxicology
		Compost Processes
Engineering Sciences - Waste	6	Environmental Management
		Solid Waste Management
		Water Treatment Networks
Environmental Engineering - Wastewater	4	Wastewater
		Membrane Processes
		Waste Treatment & Valorization
		Treatment & Valorization of Slurry
English	1	English
Engineering Project	3 to 9	Engineering Project

**ECOLE DES METIERS DE L'ENVIRONNEMENT**

Etablissement privé d'enseignement supérieur - Reconnu par l'Etat  
Habilité à recevoir la taxe d'apprentissage
